El Tango De La Guardia Vieja Arturo Perez-Reverte

A handsome young couple, driven by an urgent passion to experience life, lose themselves in each other's eyes while dancing to a tango not yet written in the silent and empty ballroom of a transatlantic ship. Unknowingly tracing in their embrace the sketch of an unreal world whose weary lights have begun to give out. A strange bet between two musicians leads one of them to Buenos Aires in 1928; an espionage affair in the French Riviera during the Spanish Civil War; and a disquieting game of chess in the Sorrento of the 1960s. El tango de la Guardia Vieja is a sweeping story of obscure and passionate love, betrayal and intrigue that spans over four decades of a fascinating and convulsed century, in the fading twilight of a time that is coming to an end."
