A Sexual Relationship and Other Stories Gillman Noonan

Gillman Noonan was born in Kanturk, Co. Cork, in 1937. A graduate of University College, Cork, he spent four years on The German Tribune in Hamburg and worked in a variety of jobs all over Europe. In 1971 he returned to Ireland to devote himself to writing and since then he has had a number of stories in The Irish Press 'New Irish Writing' and won the Writers' Week in Listowel Short Story-Award in 1975. He has also had plays produced on radio and television. This book is one of a series devoted to the modern Irish short story. Ireland's contribution to the short story is world famous, but much of the best work both of the acknowledged masters and of the new hands is either out of print or has never been published in book form. The aim of this series is to make that work generally available.
