### **Illustration Play 2** De Viction Workshop Ltd

Totally unique collection of works that focus on a return to experimental and individual techniques such as paper cutting, stitching, knitting, needlework, origami, patchwork and more. From pure and simple to hugely complex these artworks offer enormous diversity both in the skills brought to each project and the originality evident in each piece. Interviews with the artists take the viewer into the studios in which the works were created and reveal where these great talents find their inspiration. Artists featured are from all over the globe and represent many different cultures; they include Yulia Brodskaya, Knittaplease, Chris Natrop, Saelee Oh, Frank Plant, and Hanna Nyman. Illustration Play 2 is a refreshing departure from the pixel based aesthetics that have dominated graphic creativity in recent decades.

Présentation de l'éditeur

The process of making has always been an expedition of possibilities, you start with the basic techniques, learn from failures and push yourself to create so as to own the skills. A continuation of Illustration-Play : Craving for the Extraordinary, Illustration-Play 2 invites the reader to revel in this exciting era of handwork with a body of unparalleled illustrations made by the very playful hands of 24 makers who share our world. A showcase of illustrations made from thread, paper, crayons, welded steel, unwanted garments, salvaged wood, gun shots, imagination, meditation, cultural roots, childhood memories and much more.
